Professor Frank Verzuh
Massachusetts Institute of Technology
Cambridge 39, Massachusetts

Dear Professor Verzuh:

Enclosed is a copy of the paper "The Virtual Memory in the Stretch Computer", by John Cocke and myself, which you requested at the EJCC.

Thank you for your interest.

Very truly yours,

Paul, your letter to me dated December 9, 1959, finally arrived February 4, 1960. I received my reprints only two weeks ago, so the delay isn't as bad as it seems.

Best wishes,

H. Wood
