Dear Harwood,

Frank Verzuh of MIT is extremely interested in obtaining a copy of your paper delivered at the Computer Convention in Boston this month. I would appreciate your sending me a copy as soon as the paper has been cleared. If there is to be a considerable delay, I would like to know so that we can let Frank know that the paper will not be available right away.

Thanks very much for your assistance.

This letter brings best wishes for the holiday season.

Very truly yours,

Paul
