P. P. Dept. Meeting : May 26, 58

Suggestion System : Mr. Shultis, Mr Hemmer.

40% of suggestions are covered by previous suggestions. (134 Job codes in Pough.)
3.8%

10 codes turned in 67%.

40% of suggestions are obvious.

29.9% of suggtns – highest acceptance rate

---

no. of suggestion processed (5% of people have turned in 67% of suggestions)

52,463 for all IBM — 42,354 processed in Poughkeepsie in 1957 — 14 are $100. or more.

58,180 for all IBM — 16,563 field suggestions — 35.8% accepted. (about 40% are duplicates)

25,791 factory — 26.6% "

607 World Trade. 9 accepted. 598 acepted (ave $39.70 each)

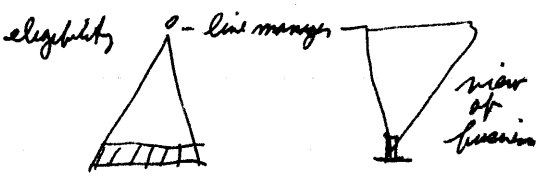

2.75 sugg. per employee per yr. — field suggestions 635 accepted, 500 were paper work.

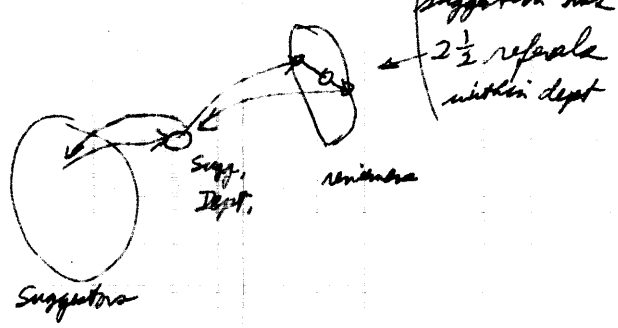

[Suggestion System came out in 37% fairness in opinion survey,
48% prompt action awards
50% explanations]

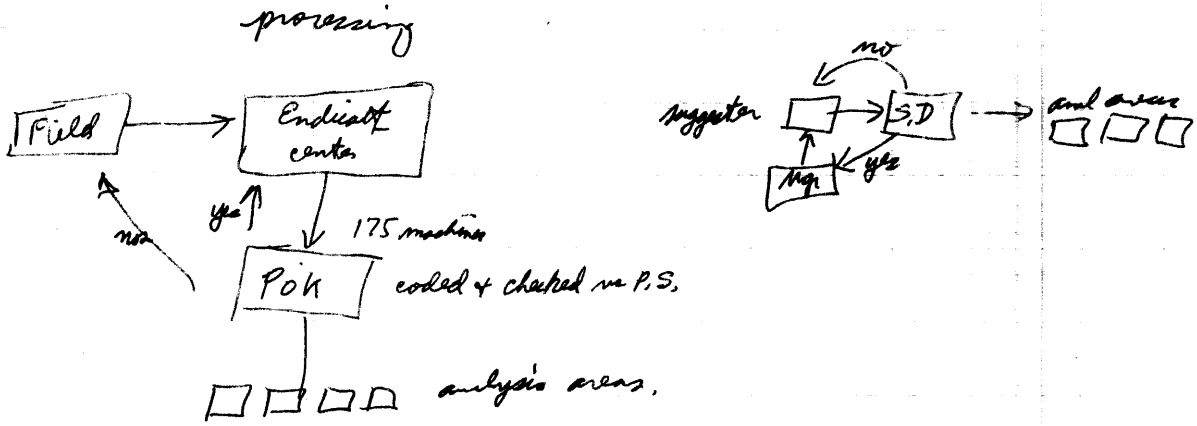

Must assume 90% are good ideas
but 85% don't fit overall picture.

only 3 out of 8587 were paid $100. or more. in Prod. Engr.

Are making change in system to cut volume.

answer rejects directly, yeses go back to Endicott.

min. award $25.

committee meets once a week.

---

suggested change: nos also go back thru Mgr.

also remove errors in paper work.

(1) raise min $10 → $20

(2) ~~Step~~ to $10K.

(3)
